AERO PLAINS BINGOS IPA

AERO PLAINS BREWING

Wichita Kansas, United States

Style: American Double / Imperial IPA

Alcohol by volume (ABV): 8.00%

Smells very woody, spicy, but ultimately citrusy and vibrant. Think orange zest and fresh wood. Tastes like the aroma: Cedar and orange flesh, enough fruitiness to offset the wood/pine/hop bitterness.

AERO PLAINS DOVE RUNNER RED WHEAT

AERO PLAINS BREWING

Wichita Kansas, United States

Style: Weizenbock

Alcohol by volume (ABV): 7.20%

Aroma is roasted grains and toasted caramel notes, faint bitter hops.

FREE STATE AD ASTRA ALE

FREE STATE BREWING CO.

Kansas, United States

Style: Altbier

Alcohol by volume (ABV): 5.60%

This ale is the first brewed in Kansas since pioneering days. The name "Ad Astra comes from the Kansas State Motto - Ad Astra per Aspera, Latin words meaning "To the Stars through Difficulties". We've blended Pale, Caramel, and Munich malts for a rich amber beer. The hops balance this malty sweetness, and we've chosen Northern brewer and Fuggles hops for their flavor.

TALLGRASS 8 - BIT

Tallgrass Brewing Company

Kansas, United States

Style: American Pale Ale (APA)

Alcohol by volume (ABV): 5.20%

Very pale, yellow beer, thick head dissipates to soapy lacing, crisp and a touch spicy with good hops bitterness that lingers, decent carbonation and a clean finish. Kind of like your wife, this is familiar and you know you'll like it. There may be flashier things out there, but this is one you can keep around and people will know you've got pretty good taste.

TALLGRASS BUFFALO SWEAT

TALLGRASS BREWING COMPANY

Kansas, United States

Style: Milk / Sweet Stout

Alcohol by volume (ABV): 5.00%

We love this beer here at the brewery, and think you will have one of those "I've never-tasted-a-beer-like-that" kind of moments when you try it! What we really like about this beer is the smoothness that brewing with cream sugar brings to the palate. This smoothness balances out the copious quantities of roasted barley used in the brewing process to create a rich, complex, and delicious beer. If you have not been a stout drinker in the past, give this beer a try. It might just change your mind about how dark beers should taste. It tastes so rich, but is surprisingly easy to drink!

WALNUT RIVER WAR BEARD IRISH RED

WALNUT RIVER BREWING COMPANY

El Dorado, Kansas, United States

Style: Irish Red Ale

Alcohol by volume (ABV): 5.50%

There is a caramel and toffee-like sweetness when you first taste this beer, which slowly fades into a slight dryness in the finish. Holding it up to the light, deep ruby highlights emerge, revealing the origins of its name. This is a smooth, malt-focused beer that's almost too easy to drink. It makes you want to come back for more, and low enough in alcohol to allow it.

WALNUT RIVER HIGH BEAM IPA

WALNUT RIVER BREWING COMPANY

El Dorado, Kansas, United States

Style: American IPA

Alcohol by volume (ABV): 7.70%

A hoppy beer brewed exclusively with the Falconer's Flight hop blend. Heavily influenced by the IPA's of the Pacific north west, this is the epitome of an American IPA floral, citrusy, aggressive, yet smooth and welcoming a hop lovers' paradise!

WICHITA BREWING COMPANY V6 IPA

WICHITA BREWING CO.

& PIZZERIA WEST

Wichita Kansas, United States

Style: American IPA

Alcohol by volume (ABV): 7.00%

Hopheads Unite! This India Pale Ale has enough hop assertiveness to stand up to the IPAs of the Pacific Northwest. The Warrior and Amarillo hops are a one-two punch to the senses and provide a pleasant, spicy, citric hop bitterness and flavor across the palate and deep into the finish.

WICHITA BREWING COMPANY VALLEY VIEW VANILLA PORTER

WICHITA BREWING CO.

& PIZZERIA WEST

Wichita Kansas, United States

Style: American Porter

Alcohol by volume (ABV): 5.94%

Is it a beer or dessert? A pleasant vanilla bean aroma beckons even the timid palate to sample this decadent porter. Dark roasted grains and substantial hopping add coffee notes and additional complexity across the palate. A slight raisin and dark fruit character in the background help tame some of the bitterness and guides the beer into a long lasting roasted vanilla finish.

WICHITA BREWING COMPANY 5:02 AMBER

WICHITA BREWING CO.

& PIZZERIA WEST

Wichita Kansas, United States

Style: American Amber / Red Ale

Alcohol by volume (ABV): 5.82%

It's always 5:02 at WBC and this is the perfect pint to begin your voyage. Caramel and toasted malt dance across the palate with American hop flavor balancing, but never overtaking the malt character, bittering is assertive enough to sharpen the finish without taking away from a pleasant malty-sweet presentation.

WICHITA BREWING COMPANY HALF WIT WHEAT

WICHITA BREWING CO.

& PIZZERIA WEST

Wichita Kansas, United States

Style: Hefeweizen

Alcohol by volume (ABV): 5.82%

A "lawnmower" beer for lawnmowers with class. This cloudy unfiltered wheat, or hefeweizen, is fermented with just enough lemon and orange to make it feel little like summer regardless of the month. Some soft, spicy noble hops roll into a clean finish leaving your palate begging for more.

Boulevard Single-Wide I.P.A. is our take on a style that originated in 18th century Great Britain. This American version—inspired by our Smokestack Series Double-Wide I.P.A.—boasts a heady combination of six varieties of hops, some of which were employed for dry-hopping.

BOULEVARD TANK 7

FARMHOUSE ALE

BOULEVARD BREWING CO.

Missouri, United States

Style: Saison / Farmhouse Ale

Alcohol by volume (ABV): 8.50%

Most breweries have at least one piece of equipment that's just a bit persnickity. Here at Boulevard we have fermenter number seven, the black sheep of our cellar family. Ironically, when our brewers were experimenting with variations on traditional Belgian-style farmhouse ale, the perfect combination of elements came together in that very vessel. You could call it fate, but they called it Tank 7, and so it is. Beginning with a big surge of fruity aromatics and grapefruit-hoppy notes, the flavor of this complex, straw-colored ale tapers off to a peppery, dry finish.

**ODELL 5 BARREL PALE ALE

Colorado, United States
Style: English Pale Ale
Alcohol by volume (ABV): 5.20%
The distinctive hop character of our 5 Barrel
Pale Ale is due to the extraction of essential oils
from select hops. We treat 5 Barrel Pale Ale to
an infusion of fresh whole hop flowers in the
Hop Back and the Fermentor, as well as four hop
additions during the kettle boil. We like how this
gives the beer a fresh, lively flavor and aroma.

**STONE DELICIOUS IPA
STONE BREWING**
California, United States
Style: American IPA
Alcohol by volume (ABV): 7.70%
A citrusy IPA with Lemondrop & El Dorado hops
Crafted to reduce gluten. While our beers are
many and diverse, yet unified by overarching
boldness, India pale ales are our undeniable
bread and butter. The result is an intensely
citrusy, beautifully bitter beer is worthy of
the simple-yet-lordly title of Stone Delicious
IPA. Lemondrop and El Dorado hops combine
to bring on a magnificent lemon candy-like
flavor that's balanced by hop spice. It's unlike
anything we've tasted in nearly two decades of
IPA experimentation, and another lupulin-laced
creation we're excited to introduce to hopheads.

**STONE RIPPER
STONE BREWING**
California, United States
Style: American Pale Ale (APA)
Alcohol by volume (ABV): 5.70%
When it came to creating Ripper, we drew
inspiration from the coastal surf cultures
of SoCal and Oz. Sourcing classic Cascade
from the Pacific Northwest and Australian
Galaxy hops from...yes...Australia, we made
a beer both lovers of frothy peaks and hoppy
green buds will be stoked about. At the same
time, we stayed true to our San Diego roots
by pushing the hop boundaries of this style.
While some might think it lingers on an edge
far closer to an IPA, with all the dry-hop flavor
and aroma, it's actually right in line with the
current-day interpretation of a West Coast
pale. Ours just so happens to have an Aussie
accent that's cascading with a juicy amount
of grapefruit and passion fruit hoppiness,
so veg out or venture out. Either way, rip one
open and taste this awesome golden nectar!
